**Subject:** Methyl Bromide Sample results  
[22Summary of Methyl Bromide in Air Results 042215.xls](#)

All, attached you will find the latest table for Methyl Bromide in air sample results at the Siranusa complex and various background locations. All of these results are validated and final. We are currently taking additional air samples along with ventilating "J" lower. If you have any questions regarding the attached feel free to call me.
